ADVOCATE REVIEW		ADDITIONAL INVESTIGATION NEEDED	SUSNIS, MAUREEN	LIEUTENANT OF POLICE	196	10-APR-2014 10:23	Additional work requested: The finding for Allegation #1 should be Sustained based upon the evidence which indicates that the accused did fail to make notification to the Court Section that he was leaving the Corporation Counsels Office. ASSISTANT ADVOCATE REVIEW		SUBMITTED	ANDERSON, RORY	POLICE AGENT	121	27-MAR-2014 12:42	Please be advised the investigation is being returned for the following reasons: 1). The finding for Allegation 2 should be Sustained based upon the evidence which clearly indicates that the accused did in fact fail to make notification to the Court Section that he was leaving the Corporation Counsels Office. The accused by his own admission failed to notify the Court Section and supporting statements from Lt. OAKS and Sgt. MURPHY as well as paper documentation confirm the action by the accused. 2). The finding for Allegation 3 should be sustained against the accused based upon the evidence related in the Initiation Report as well as the evidence that supports Allegation 2. Additionally the accused admitted that he had been notified by the Corporation Counsel that his appearance was not required which was confirmed by both Lt. OAKS and Corporation Counsel WALLACE. 3). General Order 08-02, K.3. clearly dictaes the accused members responsibility to make notification when the court appearance is completed.

Subj Initiation Report C.R. # 1063825

1. On 23 Jul 13 Officer Gallegos #15130 was assigned Bt 1114. He reported to zone 10 that he was headed to the Corp Counsel office at 0930hrs for a 1030 appearance. His next contact with the PCAD system was at 1226 hrs, when he signed onto his pdt(2 Minutes after 1115 request transport). At 1301 hrs he cleared from the assignment. Officer Vasavid 19359 Bt 1115 was also at the Corp Counsel for the same incident. At 1224 hrs, Vasavid requested via the zone for a car to come and pick him up at [REDACTED] 1125 was assigned.
2. R/S questioned Officer Gallegos as to why he did not bring PO Vasavid back with him. R/S received a response involving the lawyer interviewing Vasavid having a dog in the room, PO Gallegos being allergic, PO Gallegos being interviewed by a different atty. etc. At no time did PO Gallegos state he had left that location. R/S asked him directly if he had signed in and out with the court section. To which the officer stated "yes" R/S then clarified his question with "both in and out" to which again the response was "yes".
3. R/S checked with the court section as to what time Officer Gallegos signed out and upon examination of their records it was determined that he hadn't. A check of the GPS shows the vehicle he used that day 8808 was not found.
4. At approx 1600 hrs R/S was contacted at home by Lt Oakes of the court section who informed R/S that the Atty who had sent out the notification to PO Gallegos had informed the PO that the notification was sent in error and his appearance would not be required. This notice was given via telephone 2 days prior to the appearance date. The Atty Chris Wallace also stated he had no contact with the officer on the 23<sup>rd</sup> and that PO Gallegos was not present during the time in question and indeed he had not seen the officer at all that day.

8. It is alleged that the accused failed to follow Dept directives by leaving the Corp Counsel without signing out with the court section. That he failed to follow Dept directives by not signing into his PDT or notifying his supervisor of his inability to do so at the start of his tour. That he falsely reported to Sgt. Murphy that he did sign out, and for a several hour time span during his tour of duty his location was unknown due to these failures.
9. IPRA Notified 26 Jul 13 1052 hrs.

59 hours?  
60 SGT. MURPHY: Yes.  
61

93 SGT. MURPHY: From both the PCAD printout and the A/A's it shows that he was  
94 using 8806.  
95  
96 SGT. DICKMAN: In your Initiation Report you stated that P.O. GALLEGOS was  
97 using vehicle #8808. Was that a mistake?  
98 SGT. MURPHY: Yes it probably was, I wear glasses and the District has both  
99 vehicles.  
100  
101 SGT. DICKMAN: Did you ask P.O. GALLEGOS what time he left the Corporation  
102 Council's Office?  
103 SGT. MURPHY: I'm sure I did but I don't remember what his specific response  
104 was, but I know that it dealt with the early afternoon hour.  
105  
106 SGT. DICKMAN: Did you ask P.O. GALLEGOS why he did not sign on to his PDT  
107 prior to 12:26 hours?  
108 SGT. MURPHY: No I did not.  
109  
110 SGT. DICKMAN: Did you ask P.O. GALLEGOS why he did not bring P.O.  
111 VASAVID back with him?  
112 SGT. MURPHY: I did.  
113  
114 SGT. DICKMAN: What was his response?  
115 SGT. MURPHY: That is when he went in to the story about P.O. VASAVID's  
116 lawyer having a dog in the room and he was allergic to dogs so that  
117 is why he had a different attorney, and that is why he did not  
118 realize that they had left at the same time.  
119  
120 SGT. DICKMAN: Is there anything relative to this incident that you wish to add to  
121 this statement?  
122 SGT. MURPHY: No.  
123  
124 SGT. DICKMAN: After reading this statement consisting of 4 pages and finding it  
125 contains the responses you have given, will you sign it?  
126 SGT. MURPHY: Yes.  
127  
128 SGT. DICKMAN: Statement concluded at 11:52 hours.

10 LT. OAKES: Yes.

11  
12 SGT. DICKMAN: Are you ready to give your statement at this time?

13 LT. OAKES: Yes. However, this statement is not being given voluntarily but  
14 under duress. I am only giving this statement at this time because I

16  
17

18 SGT. DICKMAN: According to the Court Attendance Telephone Log from 23-JUL-  
19 13 I am presenting you with, did Police Officer Alejandro  
20 GALLEGOS #15130 call in to the court section at 0945 hours to  
21 establish his presence at the City of Chicago's Law Department at  
22 [REDACTED]  
23

24 LT. OAKES: Someone purporting to be Officer GALLEGOS called in giving his  
25 information stating that he was there.  
26

27 SGT. DICKMAN: According to the Court Attendance Telephone Log on 23-JUL-13,  
28 did P.O. GALLEGOS #15130 ever call in to the court section to  
29 state that he was departing?

30 LT. OAKES: No.  
31

32 SGT. DICKMAN: Is it correct that when an officer calls the court section to establish  
33 his presence at the City of Chicago's Law Department at [REDACTED]  
34 [REDACTED] the member in the court section who takes the call verifies  
35 the officer's name and star number?

36 LT. OAKES: If there are numerous officers with the same last name it will be  
37 asked and sometimes the officer will just state his star number  
38 when they call the court section.  
39

40 SGT. DICKMAN: When an officer calls the court section from the City of Chicago's  
41 Law Department at [REDACTED] to verify his presence does the  
42 member in the court section who takes the call allow that officer to  
43 report for any other officer, or do they require that they speak with  
44 each officer who is reporting?

Initials KJO

1 LT. OAKES: Our people are absolutely required to speak with each officer who  
2 is reporting. No officer is allowed to report in or out for another  
3 officer.  
4

5 SGT. DICKMAN: On 23-JUL-13 did you have a discussion with Sergeant Gerard  
6 MURPHY #924 of the 11<sup>th</sup> District regarding P.O. GALLEGOS  
7 and whether P.O. GALLEGOS had called in to the court section  
8 upon arrival and departure from the City of Chicago's Law  
9 Department at [REDACTED]

10 LT. OAKES: Yes

11  
12 SGT. DICKMAN: Did you inform Sgt. MURPHY that the attorney who had  
13 requested the appearance of P.O. GALLAGOS had informed P.O.  
14 GALLAGOS that his presence was not required?

15 LT. OAKES: I was contacted by Sgt. MURPHY who inquired about P.O.  
16 GALLEGOS and his attendance at 30 N. LaSalle. I contacted the  
17 attorney Christopher WALLACE, the Assistant Corporation  
18 Counsel, who had initially requested his presence, and he told me  
19 that he had called GALLEGOS at least one day earlier on  
20 GALLEGOS' cellular phone and told him that it was not necessary  
21 for him to appear.  
22

23 SGT. DICKMAN: To your knowledge is there a hard copy log which the appearing  
24 officers must sign upon their arrival and departure at the City of  
25 Chicago's Law Department at [REDACTED]

26 LT. OAKES: We don't require it, but maybe they do. It is not part of our  
27 procedures.  
28

29 SGT. DICKMAN: Is there anything else that we have not covered in this statement  
30 that you would like to mention at this time?

31 LT. OAKES: The Assistant Corporation Counsel, Christopher WALLACE,  
32 stated to me that on that day he did not interview him, did not see  
33 him, and that they did not have a receptionist that day, so he would  
34 have had to check in with him.

5 SGT. DICKMAN: Did you inform [REDACTED] that you did not know anything about

9 SGT. DICKMAN: Did [REDACTED] inform you that you were not needed on 23-JUL-  
10 13?  
11 P.O. GALLEGOS: Yes.  
12  
13 SGT. DICKMAN: Why did you respond to the Corporation Council's office on 23-  
14 JUL-13 if [REDACTED] told you that you were not needed?  
15 P.O. GALLEGOS: When I spoke with [REDACTED] and we agreed that I wasn't  
16 necessary for the [REDACTED] case, I advised [REDACTED] that on  
17 the court notification it stated court appearance required, and asked  
18 [REDACTED] to remove the court appearance required. He  
19 stated that he would remove the court notification. On the morning  
20 of July 23<sup>rd</sup> I checked my court notifications and it was still listed  
21 court appearance required. Not wanting to get deviated I relocated  
22 to the Corporation Council's office on the date and time and  
23 location directed.  
24  
25 SGT. DICKMAN: Did you notify the DSS that morning that [REDACTED] had verbally

27 court notification as he stated he would.  
28 P.O. GALLEGOS: No, not that I can remember.  
29  
30 SGT. DICKMAN: Prior to responding to the Corporation Council's office did you  
31 first pick up P.O. James VASAVID?  
32 P.O. GALLEGOS: Yes we rode together to the Corporation Council's office.  
33  
34 SGT. DICKMAN: Why did you pick up VASAVID?  
35 P.O. GALLEGOS: He was notified for the same court appearance.  
36  
37 SGT. DICKMAN: Had you logged on to your PDT at that point?  
38 P.O. GALLEGOS: No.  
39  
40 SGT. DICKMAN: Why not?  
41 P.O. GALLEGOS: I had logged on the camera system and must have overlooked  
42 logging on to the PDT.  
43  
44 SGT. DICKMAN: Did you log on after you left the Corporation Council's office?

Initials

1 P.O. GALLEGOS: At some time during my tour when I noticed that I wasn't logged  
2 on to the PDT, I logged on to it.  
3  
4 SGT. DICKMAN: What time did you and VASAVID arrive at the Corporation  
5 Council's office?  
6 P.O. GALLEGOS: Approximately 0945 a.m.  
7  
8 SGT. DICKMAN: How many other times had you been to the Corporation Council's  
9 office after receiving notifications in the past?  
10 P.O. GALLEGOS: Approximately 15 to 20 times over my 14 year career.  
11  
12 SGT. DICKMAN: What floor did you initially go to at the Corporation Council's  
13 office?  
14 P.O. GALLEGOS: The ninth floor.  
15  
16 SGT. DICKMAN: Did you make notification via telephone to the Court Section that  
17 you had arrived at the Corporation Council's office?  
18 P.O. GALLEGOS: I did.  
19  
20 SGT. DICKMAN: What information did you give to the Court Section when you  
21 spoke with them?  
22 P.O. GALLEGOS: My name, star number, unit of assignment.  
23  
24 SGT. DICKMAN: Were you ever on the 8<sup>th</sup> floor?  
25 P.O. GALLEGOS: My notification says the ninth floor, but it may have been eight  
26 because they were remodeling.  
27  
28 SGT. DICKMAN: Did you inform the receptionist at the Desk on either floor that you  
29 were there to see [REDACTED]  
30 P.O. GALLEGOS: Yes.

34  
35 SGT. DICKMAN: Did you meet with [REDACTED]  
36 P.O. GALLEGOS: I did not.  
37  
38 SGT. DICKMAN: Why not?  
39 P.O. GALLEGOS: One of the officers involved in the case is a canine officer who had  
40 his dog with him. Being allergic to dogs and animal dander, I  
41 informed the receptionist that the attorney had my number and that  
42 I believed that I was not needed in the case. Feeling that I fulfilled  
43 my obligation for court appearance, and not wanting to expose  
44 myself further to the animal dander, I withdrew and told the

9  
10 SGT. DICKMAN: Did [REDACTED] know that you were there at that point?

13  
14 SGT. DICKMAN: What time was it when you left?  
15 P.O. GALLEGOS: I don't recall exactly the time I left the Corporation Council's

17  
18 SGT. DICKMAN: Did you telephonically make a notification to the Court Section to  
19 inform them that you were leaving the Corporation Council's  
20 office?  
21 P.O. GALLEGOS: No I did not, I simply forgot and I apologize for that.  
22

27 P.O. GALLEGOS: No, I did not.  
28  
29 SGT. DICKMAN: Why not?  
30 P.O. GALLEGOS: I was feeling the effects of the exposure to the animal dander and  
31 sought relief with my inhaler which was located in the 011<sup>th</sup>  
32 District, and I overlooked notifying the Zone.  
33  
34 SGT. DICKMAN: After you had arrived back at in the 011<sup>th</sup> District did you have a

38 SGT. DICKMAN: Did you state to Sgt. MURPHY that you had made a notification to  
39 the Court Section upon arrival and departure at the Corporation  
40 Council's office?  
41 P.O. GALLEGOS: As I recall, Sgt. MURPHY asked me if I called the Court Section  
42 with regard to my appearance at the Corporation Council's office.  
43 I informed him that I had done so. I don't believe Sgt. MURPHY  
44 asked me if I called when I got there and when I left. Often times  
45 Sgt. MURPHY is difficult to understand. If he did ask me that,

1 then I did not understand. I never intentionally meant to deceive or  
2 mislead Sgt. MURPHY. Had I understood the specifics of the  
3 question I would have recalled that I did not call the Court Section  
4 upon my departure. This conversation took place on the street in  
5 traffic at approximately Ohio and Kedzie which is a fairly busy  
6 intersection in the 011<sup>th</sup> District. There would have been no reason  
7 to attempt to deceive or mislead Sgt. MURPHY as it related to my  
8 departure from the Corporation Council's office as there would  
9 have been a telephonic notification record of departure.

10  
11 SGT. DICKMAN: Did you start at your regular starting time on 23-JUL-13?  
12 P.O. GALLEGOS: Yes.

13  
14 SGT. DICKMAN: Is there anything concerning this incident that we have not covered  
15 in this interview which you would like to mention at this time?  
16 P.O. GALLEGOS: Once again I would like to state that I never meant to mislead Sgt.  
17 MURPHY as in regards to the Corporation Council's appearance.  
18 My immediate concern was seeking relief for my allergies and as  
19 such I overlooked notifying the Court Section of my departure and  
20 clearing myself with the Zone.

21  
22 SGT. DICKMAN: After reading this statement and finding it to contain accurately the

On 25-SEP-13, at 12:00 hours, at the location of [REDACTED] the Reporting Sergeant interviewed [REDACTED] the receptionist on the eighth floor at the Corporation Council's office. [REDACTED] stated that officers who arrive for meetings with attorneys start on the eighth floor and they call the Court Section. [REDACTED] stated that the officers tell her what attorney they are there to see. [REDACTED] stated that she then notifies the attorney on the ninth floor that their officers are there, and the attorney will tell her to send them up. If there is only one officer there to see an attorney, then she will usually give the officers name when notifying the attorney. [REDACTED] stated that there is a sign in log at the desk, but it is not for the officers' use. [REDACTED] stated that some of the officers will occasionally still sign that log. The undersigned reviewed the log from 23-JUL-13 and observed that the name of P.O. Alejandro GALLEGOS did not appear on that log. [REDACTED] stated that when the officers are done on the ninth floor, they almost always come back down to the eighth floor where they again call the court section. [REDACTED] stated that there is always a receptionist at the desk on the eighth floor and someone fills in for her when she goes to lunch. [REDACTED] checked her schedule and verified that she was working on 23-JUL-13. On 09-OCT-13 the Reporting Sergeant telephonically contacted [REDACTED] for a follow-up question and asked her if she recalled that on 23-JUL-13 P.O. Alejandro GALLEGOS, prior to walking out of the office, informed her that he believed that he was not needed for the case and that [REDACTED] could call him if he needed him. [REDACTED] stated that she did not recall.

ISSUE DATE:	22 February 2012	EFFECTIVE DATE:	22 February 2012
RESCINDS:	Version dated 18 November 2000; G97-06-09A		
INDEX CATEGORY:	Department Equipment		

**I. PURPOSE**

This directive continues:

- A. Department policy and procedures concerning the use, storage, and care of the Portable Data Terminal (PDT).
- B. procedures for traffic stops and field interrogations.

**II. POLICY**

It is against Department policy to transmit inappropriate messages (i.e., sexual, racial, rude, or derogatory comments) over the PDT. Additionally, all messages transmitted will be in the English language.

**III. FIELD UNIT PROCEDURES**

Department members issued a PDT will:

- A. immediately upon receiving their PDT, secure it in the docking mount in their assigned vehicle.
- B. unlock the screen by entering their Public Safety Information Technology (PSIT) Log-on Identification Number and password.

**NOTE:** Members who cannot recall their PSIT Log-on Identification Number and/or password will contact the station supervisor. The station supervisor will contact the Network Management Center (NMC) of the OEMC. If the Log-on Identification Number must be obtained, OEMC will provide the information. If the personal password cannot be recalled, the station supervisor will instruct the NMC to reset the officers password to 911. This will allow the member access to the system through the district PCAD computer, through which the member can generate a new personal password. After the PCAD operation is completed, the member will then log on through the assigned PDT using the new password.

- C. depress the Log on (LOGON) key to access the PCAD computer system and enter the following:
  - 1. unit radio call sign (beat number - example: 213).
  - 2. the officers starting time.
  - 3. personal password.
  - 4. PSIT Log-on Identification Number.
  - 5. CPD radio set number (Example: S2345).

**NOTE:** If two officers are assigned to a vehicle, they each must enter their PSIT Log-on Identification Number and portable radio CPD radio set number. Whenever the number of officers assigned to a field unit changes, OEMC will be made aware of the change by voice radio.

6. outside vehicle number, and then transmit the log on PDT screen to the PCAD computer system. If log on is unsuccessful, re-enter and transmit.
- D. inform the OEMC dispatcher by voice radio immediately after roll-call, if there is a delay in logging on.
- E. in all instances, accept job assignments by use of voice radio **and** the Acknowledge (ACK) key on the PDT.
- F. for all dispatched assignments show location status by use of the:
  1. Enroute (ENRTE) key, and
  2. On-scene (ONSCN) key.
- G. obtain Records Division (RD) numbers using the PDT.
- H. clear assignments by use of the voice radio and:
  1. enter the appropriate alpha-numeric code, or
  2. enter C on a blank screen, if an RD number was already obtained.

**NOTE:** It is the responsibility of the assigned field unit to supply the disposition code.

- I. process stacked assignments by:
  1. handling them in dispatched order, unless circumstances justify reordering.
  2. notifying the dispatcher by voice radio and PDT that they are clear from the active assignment and request that the next stacked assignments be made active.
- J. contact the dispatcher by voice radio for prior approval before accessing the Out-of-Service (OUTSR) screen menu and executing any of the commands. The items listed below are the **only** activities that place the field unit out of service; all other listed activities are informational messages to the dispatcher.
  1. court,
  2. detail,
  3. lunch,
  4. mechanical,
  5. messenger,
  6. traffic violator bond.
- K. contact the dispatcher by voice radio for prior approval before accessing the "CAPS" screen menu and executing any of the following commands:
  1. beat meeting,
  2. beat team meeting,
  3. community meeting, or
  4. problem solving.
- L. use the Traffic Stop (TSTOP) key to inform the dispatcher of their location and status change on **all** traffic stops, unless safety circumstances warrant a delay in OEMC notification. Field units will:
  1. clear themselves from the traffic stop event by using the Clear key or the C command from a blank screen, or
  2. if assigned to an event prior to activating the traffic stop function, re-institute the prior event to active status by:
    - a. having the dispatcher re-dispatch the prior event, or

- b. use the CA command to re-activate the prior event.

**NOTE:** Members not issued a PDT or one-officer units will use voice radio to make this notification to OEMC. The dispatcher will be made aware of the traffic stop location and license plate information.

- M. notify the dispatcher of the location and number of subjects when conducting field interrogations. Members will either use the Traffic Stop (TSTOP) key to notify the dispatcher of their location and insert the number of subjects in the remarks field of the message screen, or use voice radio. Members need not delay the stop to notify OEMC if circumstances warrant.
- N. to the extent operational circumstances allow, run name checks and vehicle checks on their assigned PDT. Voice radio transmissions are not required.
- O. log off upon completion of their tour of duty.
- P. when required to work overtime and needing the continued use of the units PDT:
  - 1. notify the OEMC dispatcher that the unit will be working overtime and remaining active on the PCAD computer system, and
  - 2. have the OEMC dispatcher:
    - a. pre-empt the active assignment
    - b. log off the PDT,
  - 3. re-log on to the PCAD system entering the information exactly as outlined in Item III-C of this directive, except the unit radio call sign, which will be entered with an X prefix, (Example: X213) and
  - 4. have the dispatcher re-institute the event to active status.
- Q. ensure that the PDT is turned off and returned to designated unit personnel upon completing their tour of duty.

#### IV. DISPATCH PROCEDURES

The OEMC will:

- A. dispatch a call for service to the appropriate field unit over the voice radio network. This call for service will also be transmitted digitally to that field units assigned PDT.
- B. upon receipt of an Emergency Message (E) key transmission, stop all voice radio traffic on the appropriate radio zone and attempt to contact the unit sending to determine the scope of the emergency. If the unit fails to respond, a "10-1" will be dispatched.
- C. monitor the Active Units Screen in accordance with dispatch policy.
- D. dispatch multiple assignments in dispatch priority to a maximum of three.
- E. not dispatch more than a single priority 1 assignment at a time. Only priority 2B or lesser assignments may be assigned as multiples. A dispatcher will not assign additional jobs until **all** previous assignments are cleared by disposition.

**NOTE:** More than three multiple assignments may be dispatched only with the prior approval of the appropriate supervising sergeant.

- F. notify the Crime Prevention and Information Center (CPIC) if data communications should fail to operate.

- G. broadcast an all-call message whenever the PCAD system is taken off-line or the system degrades. An additional message will be broadcast when the system is restored to operational status.

**NOTE:** If possible, warnings should be broadcast before the PCAD computer system is taken off-line or degrades.

- H. reconfirm, by voice, the dispatch of all stacked assignments to field units when the PCAD system goes off-line or degrades.
- I. on the Dispatch Message Screen, list the assigned field unit first. All other assist units to an event will be listed behind the assigned field unit.

**COURT ATTENDANCE AND RESPONSIBILITIES**

ISSUE DATE:	06 June 2002	EFFECTIVE DATE:	07 June 2002
RESCINDS:	G02-04		
INDEX CATEGORY:	Professionalism		

**I. PURPOSE**

This directive:

- A. describes the court appearance responsibilities of Department members.
- B. introduces the Automated Court Notification Program.

Department members will refer to the Special Order titled "**Court Attendance and Responsibilities**" for more detail regarding the Court Notification Program.

**II. AUTOMATED COURT NOTIFICATIONS PROGRAM**

The Automated Court Notification Program:

- A. is a computerized system to communicate and track court notifications.
- B. provides historical records for assigned officers' court notifications.
- C. provides daily reports by unit, watch, and individual officer for a specific date range.

**III. COURT APPEARANCE RESPONSIBILITIES**

A. Arresting officers and investigating officers will:

- 1. ensure that complainants and witnesses are notified of the proper location, time, and date their presence is required in court.
- 2. be present on the specified court date in time for the scheduled court call hearing.
- 3. appear in all cases when a summons or a subpoena has been issued for their presence or when the state's attorney has requested their presence for an interview unless otherwise directed by the unit commander or his/her designee. If subpoenaed or requested to testify for the defense, officers will make notifications as required by the Department directive entitled "**Disseminating Information in Civil and/or Criminal Legal Actions and in Civil Suits Against Department Members.**"

**NOTE:** When subpoenaed by the defense, officers will NOT provide the defense with any reports or records.

- 4. bring complete and accurate reports, records (including Felony Minute sheet if required), and pertinent physical evidence to court. Officers will follow the procedures outlined in the Department directive entitled "**Inventory System for Property Taken Into Custody**" to sign-out evidence for presentation in court. Officers will be prepared to present the evidence and give accurate and impartial testimony.
- 5. in cases involving juvenile arrestees who have been referred to court, contact the desk officer at the detention facility prior to the next session of Juvenile Court to determine if the juvenile arrestee has been detained. When it is determined that a juvenile has been detained, arresting officers will contact the Juvenile Court Team, Monday through Friday between 0900 and 1100 hours, to ascertain whether their presence is required for a detention hearing.

6. A Department member whose appearance is required in any court or judicial proceeding will record the corresponding Record Division Number and the Court Notification Record Number on the Overtime Compensatory Time Report (CPD-11.608) instead of attaching a copy of the subpoena or the court notification printout to the same.
- B. In court branches with an assigned court sergeant/officer, it normally will not be necessary for the arresting officer or investigating officer to appear in court for the following types of arrests:
1. Any misdemeanor or quasi-criminal cases, unless the arresting officer has signed the complaint, received a subpoena requiring an appearance, or received a notification to appear from the Court Section.
  2. Misdemeanor or felony retail theft cases in which the arrest was made and complaints signed by security/store personnel and the arresting officer did not witness the offense.
  3. Any case heard in Central Bond Court. In addition, the complainants or witnesses need not appear at Central Bond Court.

**NOTE:** In the court appearance exemptions enumerated in Items III-B-1 through 3, the arresting officer will include with the arrest report a photocopy of the appropriate case report along with any related court documents (felony minute sheets, copy of inventory, and so forth). Arresting officers will provide the complainant with the court information and will indicate on the last line of the Arrest Report narrative that they notified the complainant of the desired court date and location and advised the complainant to appear in court on that date.

4. An arrest made on a warrant, unless the arresting officer has signed the complaint upon which the warrant was issued or has knowledge of the case which is material to the court hearing. The arresting officer will be notified of the court date if needed to appear.

**NOTE:** When arrests are made on warrants and the arresting officers have no knowledge of the case, they will enter in the narrative portion of the Arrest Report, "Arresting officer will not appear, no knowledge of the circumstances of the case."

5. When an arrest was made and the complaint was signed by a peace officer from a recognized police agency as defined in the Department directive entitled "**Police Agencies Operating in the Chicago Area**" in the course of their employment and the Chicago Police Department officer cannot give pertinent testimony regarding the incident.
  6. A traffic case on the day following the arrest in instances when the violator cannot post bond and the only charges are traffic charges.
  7. At a felony preliminary hearing court for a case in which the Grand Jury has indicted the arrestee for the offense prior to the hearing date.
- C. The arresting officer normally will appear to testify in all cases not specified in Item III-B of this directive.
- D. In court branches with an assigned court sergeant/officer, other than Branch 66, only the arresting officer normally will appear.

**NOTE:** If necessary, the investigating officer will forward any reports to the appropriate court or grand jury by messenger, mail, or fax.

- E. When two or more officers make an arrest, the officer having court appearance responsibility for the case will enter his/her name in the box entitled "First Arresting/Appearing Officer" of the Arrest

Report. The appearing officer will be the officer having sufficient knowledge to testify at the hearing. This officer will retain responsibility for the initial and all subsequent court appearances.

1. When an officer responsible for attending court is unable to appear at a court or judicial-related hearing for any reason (i.e., furlough, medical roll, subpoena for another court), the officer will notify a supervisor in his/her unit of assignment as soon as the officer becomes aware of the inability to appear. The officer will provide the supervisor with all pertinent information regarding the case, including RD number, CB number, IR number, and the names of other arresting officers.
2. When the arresting officer cannot anticipate the inability to appear in court, the officer will notify a supervisor in his/her unit of assignment at least one hour prior to the scheduled hearing. The officer will provide the unit supervisor with the name, if any, of the second arresting officer.
3. A Grand Jury notification or subpoena does not necessarily negate an officer's responsibility for appearing in another court. If a Grand Jury notification/subpoena is received by an officer and the date/time is in conflict with another court appearance, the officer will contact the issuing assistant state's attorney to make a determination of the urgency of the Grand Jury case. If an alternate date or time cannot be set, the officer will notify a supervisor of the officer's unit of assignment as delineated in the above procedure.

**NOTE:** When an officer has more than one court appearance scheduled for the same time, the conflict will be resolved according to the guidelines established in the Department directive entitled "**Court Call Schedule**."

F. Supervisor's Duties – Member's Unit of Assignment/Detail

1. When the first arresting officer is unable to attend court, a supervisor designated by the watch commander/unit commanding officer will notify the second arresting officer of the responsibility to attend court. The supervisor will notify the appropriate court sergeant/officer of the change in appearing officers and record all notifications/information in the Notification of Court Absence Booklet (CPD-11.560).
2. If a supervisor is unable to notify the second arresting officer or if there is only one arresting officer, the supervisor will inform the watch commander.
3. The watch commander or unit commanding officer will ensure that:

- a. The appropriate court is notified when an officer will not appear in court.

**NOTE:** As soon as it is learned that an officer cannot appear at trial court located at Cook County Criminal Courts facility, immediate notification to the trial court liaison is necessary to facilitate advance notice to the State's Attorney Office.

- b. when a member is excused from appearing in civil court for any reason, the assistant corporation counsel handling a civil matter is notified immediately of the member's inability to appear at a court or arbitration hearing.

**NOTE:** Immediate notification is necessary in such cases because, unlike most criminal and quasi-criminal matters, continuances are generally not granted if the motion for a continuance is made on the day of the hearing.

- G. If there is uncertainty as to the necessity for an arresting officer to appear in court or when more than one arresting officer may be needed to appear for the same case, the arresting officer's watch commander will be consulted for a decision.

1. If, at the time the arrestee is being processed, the watch commander determines the presence of an additional officer(s) is necessary for the initial court appearance, the officer(s) will be informed and the watch commander will record this information in the Watch Commander's Notations portion of the Arrest Report.
2. If, at subsequent appearances, it is determined that the presence of an additional officer(s) is required (judge's orders, state's attorney requests, etc.), the officer(s) will be notified.
3. Any Department member receiving a subpoena or notification that has not been entered into the Automated Court Notification Program (ACNP) will obtain authorization to appear from the watch commander. The watch commander will ensure that the subpoena or late notification is entered into the ACNP following unit procedures.

**NOTE:** A Department member entering a notification of this kind will select "Y" in the "Notified" field, indicating the member has been notified.

- H. After court appearance responsibilities have been determined, the appropriate box of the Arrest Report will be checked to indicate whether or not the court sergeant will handle the case in court.

- I. Whenever members appear in any court branch to which a court sergeant/officer is assigned, they will:

1. upon arrival at the courtroom, sign the Court Log (CPD-21.600 or CPD-21.606) maintained by the court sergeant/officer.
2. sign out of all court hearings immediately upon the conclusion of their testimony and release by the Assistant State's Attorney/Corporation Counsel, an attorney whose subpoena they may be under, or Court Section Personnel when present. Officers will not remain in court pending the final disposition of the case. Final disposition of the case is no longer required for completion of the Overtime / Compensatory Time Report or the Court Log. Continuance dates, when available, should be entered on these forms.

**NOTE:** No officer will sign the court log for another officer.

3. inform the court sergeant/officer when a case has been continued and the officer has received instructions from the assistant corporation counsel or assistant state's attorney that an appearance is not required on the next court date.
4. inform the court sergeant/officer when released by an assistant state's attorney or assistant corporation counsel prior to their case(s) being called.

**NOTE:** Officers will not leave court prior to their case(s) being called without authorization from the court sergeant/officer.

- J. When officers must appear at a courtroom in the Criminal Court Complex where no court sergeant/officer is assigned, they will:

1. report to the Police Assembly Room, Room 700A on the 7th floor of the Criminal Courts Building, and sign in on the Court Log.
2. when completing their duties prior to 2100 hours, return to the Police Assembly Room and record the disposition of the case and the time out on the Court Log.
3. when completing their duties after 2100 hours, notify Operations Command by telephone and provide the disposition and time out.

- K. When the officer must appear in a court without an assigned court sergeant/officer or there is no court assembly room, the member will:
1. notify the Court Section if the court appearance is between 0800 hours and 1600 hours.
  2. notify Operations Command if the court appearance is between 1600 hours and 0800 hours.
  3. notify either the Court Section or Operations Command (as appropriate) when the court appearance is completed.
  4. follow the guidelines outlined in the Department directive entitled "**Municipal Administrative Hearings**" when required to appear at an administrative hearing.

INDEX CATEGORY:	Field Operations		

**I. PURPOSE**

- A. Department's Radio Communications System.
- B. uniform broadcasting procedures.

Department members will refer to the Special Order titled "**Radio Communications**" for an overview of the Radio Communications System.

**II. GENERAL PROCEDURES**

- A. With the integration of the Data Radio Network into the Department's Radio Communication System, **MEMBERS WILL ENSURE THAT ANY PDT DISPATCH FUNCTION IS ALSO ACKNOWLEDGED/ REPEATED OVER VOICE RADIO.**
- B. Unless extenuating circumstances exist, a dispatcher will dispatch all assignments to field units by voice radio over the assigned police radio channel.

  - 2. A two officer unit: "711, 10-4."
- G. Members who receive their assignments by voice radio and, if equipped, via a PDT, will:

  - 2. include the reason for (or nature of) the change and the member's specific street location.

- I. When transmitting on the Voice Radio Communications System, members will use Department-issued radios ONLY.
  - 1. Radios will be operated on the primary channel unless the dispatcher directs that a different channel be used.

  - b. non-criminal incidents when exigent circumstances exist, e.g., lost or missing children.

#### E. **Notification Procedures**

In addition to the notifications required in the Department directive entitled, "**Preliminary Investigations**," a field unit will make the following notifications for any major crime or significant incident shortly after such occurrences come to the attention of the police:

- 1. **PRELIMINARY NOTIFICATION** - information normally transmitted over a field unit's primary radio frequency, **then forwarded** to the Crime Prevention and Information Center (CPIC) by OEMC personnel.

#### A. Dispatchers are:

- 1. provided with a means of determining which police units are available for assignment.
- 2. authorized to assign police units.
- 3. to the extent possible, required to maintain beat integrity in the assignment of units.

- B. Using the following protocol, the PCAD system automatically organizes and prioritizes each event prior to dispatch. Unless extenuating circumstances exist, dispatchers will follow the OEMC protocol listed below, when dispatching assignments:

1. **PRIORITY 0 - POLICE (10-1) and FIRE UNIT CALLS FOR EMERGENCY ASSISTANCE:** involves any life threatening circumstances which have the potential to compromise the safety and well-being of police, EMS or fire units. Dispatchers will follow the procedures enumerated in Item III-B-2 of this directive and assign the closest available unit for all Priority 0 calls.

2. **PRIORITY 1 - IMMEDIATE DISPATCH:** is a response to a call for service that:

- a. involves an imminent threat to life, bodily injury or major property damage/loss, **and/or**
- b. is deemed necessary by Department guidelines. **Dispatchers will assign primary and assist units to Priority 1 calls in the following order:**
  - (1) rapid response unit or beat unit from the beat of occurrence.
  - (2) tactical unit.
  - (3) rapid response sergeant.
  - (4) sector sergeant.
  - (5) tactical sergeant.
  - (6) other field supervisor.
  - (7) closest available unit.

3. **PRIORITY 2 - RAPID DISPATCH:** a response to a call for service that is:

- a. timely police action which has the potential to affect the outcome of an incident, **and/or**
- b. deemed necessary by Department guidelines.

**NOTE:** To ensure beat integrity, dispatchers will adhere to the protocol enumerated in Item IV-B-2-b when assigning primary and assist units to Priority 2 calls.

4. **PRIORITY 3 - ROUTINE DISPATCH:** a response to a call for service that does not involve an imminent threat to life, bodily injury, or damage/loss, and a reasonable delay in police action will not affect the outcome of the incident.

- a. Priority 3 assignments may be delayed in dispatching:
  - (1) when compelling circumstances exist.
  - (2) during watch changes.
  - (3) during assignment pending (backlog) situations when the number of calls for service exceeds the number of available field units.

**NOTE:** The dispatcher and/or call taker will inform the citizen that a field unit will respond to the call for service as soon as resources permit. These assignments will be dispatched within a reasonable period of time.

- b. To ensure beat integrity, dispatchers may:

- (1) give a beat unit multiple Priority 3 assignments, but **only** when the beat unit **is clear** from its last assignment.

- (2) hold Priority 3 assignments pending the return of beat units.
- (3) **NOT** give a Priority 3 assignment to a beat car off its beat, without the permission of that unit's supervisor.

5. **PRIORITY 4 - ADMINISTRATIVE DISPATCH:** used to process requests for service which:

- a. the field unit initiates, (e.g., beat community meeting, beat team meeting, problem solving, foot patrol, etc.). When initiating an administrative assignment, an officer will provide the dispatcher with the specific reason for that assignment, (e.g., beat meeting).
- b. the dispatcher generates for administrative purposes. The dispatcher will accurately enter the specific event code into the PCAD system for each administrative assignment.

**NOTE:** To ensure beat integrity, dispatchers will attempt to relegate Priority 4 messenger assignments to the nearest available rapid response unit.

6. **PRIORITY 5 - ALTERNATE RESPONSE:** a response to a call for service that conforms to Alternate Response strategies enumerated in the Department directive entitled "**Alternate Response Section Case Reporting Policy**," and does **not** require the dispatch of a field unit.

C. If the beat unit is unavailable and is not expected to return within a reasonable time period, the:

- 1. **beat unit** will advise his sector sergeant of any anticipated extended period of unavailability.
- 2. **sector sergeant**, after consulting with the rapid response sergeant, will designate a rapid response unit to cover the beat. He will also inform the dispatcher of the change of assignment.

D. The dispatcher will contact the field supervisor for guidance when a radio assignment backlog exists.

E. If a rapid response unit is on a non-emergency assignment and another non-emergency call for service is received at or near his location, dispatchers may assign the call to that unit.

F. To the extent possible, officers will receive single assignments on their beats/sectors. However, when operational needs dictate, an officer may be given:

- 1. multiple assignments.
- 2. an assignment outside his beat/sector or district.

G. A police officer will **not** refuse any radio assignment. If an officer refuses a radio assignment, the dispatcher will notify the officer's supervisor who will take appropriate action.

H. Any changes in the priority protocol enumerated in Item IV-B are subject to the approval of the Chief, Bureau of Patrol.

## V. **RESPONSIBILITIES**

A. Field officers will:

7. make themselves available for further assignment immediately after an assignment is completed.
8. inform the dispatcher that they are proceeding to the location of the next assignment **at the completion of each previous assignment. Officer safety is the primary purpose for this rule.**

B. Field supervisors will:

1. monitor the radio and PDT to ensure that assignments are consistent with the policy regarding beat integrity.
2. upon notification from the OEMC of uncompleted assignments from the previous watch:
  - a. instruct the dispatcher to reassign those assignments to the appropriate field units.
  - b. determine the reason for the uncompleted assignments and take appropriate action.
3. in order to serve a specific and appropriate police function, direct a dispatcher:
  - a. **not** to assign a call for service to a specific unit.
  - b. to reassign a call for service from one unit to another unit. When a unit is outside a supervisor's immediate area of responsibility, that supervisor must consult with the unit's immediate supervisor before directing a dispatcher to reassign that unit's assignment.

**NOTE: Radio silence by a supervisor implies consent with the dispatcher's assignment of a unit to a call for service.**

4. override an OEMC dispatch of a field unit if the call for police service may be referred to the Alternate Response Section based upon criteria outlined in the Department directive entitled **"Alternate Response Section Case Reporting Policy."**
  - a. The appropriate Miscellaneous Incident Code Number (1-19), along with the letter S, (Sam), describing the police action, will be given to the OEMC dispatcher by the field supervisor reassigning an OEMC dispatch to the Alternate Response Section for police service.
  - b. *If an event is dispatched to a field unit by OEMC and is subsequently designated S-Sam and sent to ARS by a field supervisor, that event will be investigated by ARS. If an ARS supervisor determines that the event did not meet ARS qualifications per General Order 04-04-01, entitled "Alternate Response Section Case Reporting Policy", and should have been dispatched, the ARS commanding officer will send a report documenting the event to the Crime Prevention and Information Center (CPIC).*

C. The station supervisors will ensure that:

1. the watch assignment line-up (unit roster), including the tactical teams, is submitted to the OEMC at least one hour prior to each respective roll call via the PCAD system. Any changes to the watch assignment line-up after it has been submitted must be entered in the PCAD system as they occur.

**NOTE:** Station supervisors will submit the watch assignment line-up via facsimile message only if the PCAD system is inoperable.

2. assignments dispatched from the OEMC are consistent with the policy regarding beat integrity.

Subject: Interview of Witness [REDACTED]

On 25-SEP-13, at 12:00 hours, at the location of [REDACTED] the Reporting Sergeant interviewed [REDACTED] the receptionist on the eighth floor at the Corporation Council's office. [REDACTED] stated that officers who arrive for meetings with attorneys start on the eighth floor and they call the Court Section. [REDACTED] stated that the officers tell her what attorney they are there to see. [REDACTED] stated that she then notifies the attorney on the ninth floor that their officers are there, and the attorney will tell her to send them up. If there is only one officer there to see an attorney, then she will usually give the officers name when notifying the attorney. [REDACTED] stated that there is a sign in log at the desk, but it is not for the officers' use. [REDACTED] stated that some of the officers will occasionally still sign that log. The undersigned reviewed the log from 23-JUL-13 and observed that the name of P.O. Alejandro GALLEGOS did not appear on that log. [REDACTED] stated that when the officers are done on the ninth floor, they almost always come back down to the eighth floor where they again call the court section. [REDACTED] stated that there is always a receptionist at the desk on the eighth floor and someone fills in for her when she goes to lunch. [REDACTED] checked her schedule and verified that she was working on 23-JUL-13. On 09-OCT-13 the Reporting Sergeant telephonically contacted [REDACTED] for a follow-up question and asked her if she recalled that on 23-JUL-13 P.O. Alejandro GALLEGOS, prior to walking out of the office, informed her that he believed that he was not needed for the case and that [REDACTED] could call him if he needed him.

### INVESTIGATION:

On 26-JUL-13 this investigation was initiated by Sgt. Gerard MURPHY #924, Unit 011. On 30-JUL-13 this investigation was assigned to the undersigned who received the Initiation Report in the case file. The Initiation Report of Sgt. MURPHY stated that on 23-JUL-13, at 0930 hours, P.O. GALLEGOS (accused), while working Beat 1114, responded from the 011<sup>th</sup> District to the Corporation Council's office at [REDACTED] Street for an appearance. Sgt. MURPHY stated that P.O. GALLEGOS transported P.O. VASAVID (witness), working Beat 1115, for the same appearance. Sgt. MURPHY stated that at 1224 hours P.O. VASAVID requested a car to transport him back to the 011<sup>th</sup> District from 30 N. LaSalle Street. Sgt. MURPHY stated that he met with P.O. GALLEGOS in the 011<sup>th</sup> District and asked him why he did not transport P.O. VASAVID back with him. Sgt. MURPHY stated that P.O. GALLEGOS responded with an answer that involved a dog that was in the interview room with P.O. VASAVID and P.O. GALLEGOS was allergic. Additionally, Sgt. MURPHY stated that he also twice asked P.O. GALLEGOS if he had "signed in and out" with the Court Section, and P.O. GALLEGOS twice responded, "Yes." Sgt. MURPHY stated that he contacted the Court Section and was informed that P.O. GALLEGOS had not "signed out" on 23-JUL-13. Sgt. MURPHY stated that Lt. Kevin OAKS #178 (witness), of the Court Section, contacted him and informed him that he had spoken with Chris WALLACE (witness), the attorney P.O. GALLEGOS had been scheduled to meet with at 30 N. LaSalle Street. Sgt. MURPHY stated that, per Lt. OAKS, WALLACE had made telephonic contact with P.O. GALLEGOS two days prior to the scheduled appearance and had informed P.O. GALLEGOS that his appearance was not required. Sgt. MURPHY further stated that, per Lt. OAKS, WALLACE had stated that he had no contact with P.O. GALLEGOS on 23-JUL-13. Sgt. MURPHY also noted that P.O. GALLEGOS logged on to his Portable Data Terminal (PDT) at 1226 hours, and cleared from the appearance at 30 N. LaSalle Street at 1301 hours. (Attachment #4,12).

Sgt. MURPHY alleged the following in his Initiation Report: 1) P.O. GALLEGOS failed to follow Department Directives when he left the Corporation Council's office without "signing-out" with the Court Section. 2) P.O. GALLEGOS falsely reported to Sgt. MURPHY that he had "signed out" with the court section. 3) P.O. GALLEGOS failed to log on to his PDT as required by Department Directives (Attachment #4).

On 01-AUG-13 the undersigned interviewed Assistant Corporation Council, Christopher [REDACTED] as a witness, at his office at 30 N. LaSalle Street. [REDACTED] stated that on 22-JUL-13 he telephonically contacted P.O. GALLEGOS and informed him that, with regard to the 23-JUL-13 notification, he was not needed. [REDACTED] also did acknowledge that there was an officer with a canine in the office on 23-JUL-13 (Attachment #5).

On 08-AUG-13 the undersigned interviewed Sgt. MURPHY at the Bureau of Internal Affairs (BIA). Sgt. MURPHY again stated that on 23-JUL-13 P.O. GALLEGOS and

P.O. VASAVID responded to the Corporation Council's office in the vehicle that GALLEGOS had been using. Sgt. MURPHY stated that he was unsure of what time P.O. GALLEGOS stated to him that he had left the Corporation Council's office, but he was sure that it was in the early afternoon hour. When asked by the undersigned how P.O. GALLEGOS explained to him why he did not transport P.O. VASAVID back to the 011<sup>th</sup> District, Sgt. MURPHY stated that P.O. GALLEGOS "...went into a story about P.O. VASAVID's lawyer having a dog in the room, and he was allergic to dogs, so that is why he had a different attorney, and that is why he (GALLEGOS) did not realize that they had left at the same time." Sgt. MURPHY confirmed that he had asked P.O. GALLEGOS twice if he had signed in and out with the court section while at the Corporation Council's office, and that P.O. GALLEGOS answered in the affirmative. When asked by the undersigned if it was clear to P.O. GALLEGOS that signing in was synonymous with calling in, Sgt. MURPHY stated, "Yes, I believe that the second time I asked him if he had called in and I believe that his response was that there were 7 of us in line and we passed the phone to each other. Additionally, Sgt. MURPHY stated that P.O. GALLEGOS did not sign on to his PDT until 1226 hours, but he did not ask him why (Attachment #8).

On 06-AUG-13 the undersigned interviewed P.O. VASAVID in the BIA. P.O. VASAVID related that on 23-JUL-13, at approximately 1000 hours, he and P.O. GALLEGOS each telephonically contacted the Court Section to make notification of their arrival at the Corporation Council's office. P.O. VASAVID stated that to the best of his knowledge P.O. GALLEGOS was never called into an interview room. P.O. VASAVID stated that there was a dog in the room in which he was being interviewed. P.O. VASAVID stated that the last time he saw P.O. GALLEGOS at the 30 N. LaSalle Street was when he was told to go up to the ninth floor to be prepped. P.O. VASAVID stated that to the best of his knowledge P.O. GALLEGOS did not go up to the ninth floor (Attachment #15).

On 12-SEP-13 the undersigned interviewed Lt. OAKS in the BIA. Lt. OAKS stated that on 23-JUL-13 he was contacted by Sgt. MURPHY who inquired about the attendance of P.O. GALLEGOS at 30 N. LaSalle Street. Lt. OAKS stated that he contacted the Assistant Corporation Council, [REDACTED] who had initially requested the presence of P.O. GALLEGOS, and he ([REDACTED]) stated to him that he had telephonically contacted P.O. GALLEGOS at least one day earlier than 23-JUL-13 and informed him that it was not necessary for him to appear (Attachment #17).

On 25-SEP-13 the undersigned interviewed Witness Sharon DATRO, the eighth floor receptionist at the Corporation Council's office at 30 N. LaSalle Street. DATRO stated that officers who arrive for meetings with attorneys start on the eighth floor and call the Court Section. DATRO stated that she notifies the attorneys that the officers are there, and the attorneys will tell her to send them up to the ninth floor. DATRO stated that there was a sign-in log at the desk, but it was not for the officers. DATRO stated that when the officers are done on the ninth floor they almost always come back down to the eighth floor to again call the Court Section again. The undersigned reviewed the desk sign-in log sheet for 23-JUL-13 and observed that the name of P.O. GALLEGOS did not

appear on it. The undersigned also observed that there was no video at either of the ninth floor or eighth floor offices (Attachment #20).

The undersigned served P.O. GALLEGOS with the following allegations that Sgt. MURPHY had alleged in his Initiation Report: 1) P.O. GALLEGOS falsely reported to Sgt. MURPHY that he had "signed out" with the court section. 2) P.O. GALLEGOS failed to log on to his PDT as required by Department Directives. Additionally, the undersigned included the following allegation: P.O. GALLEGOS went out of service and responded to the Corporation Council's office after he had been notified by Assistant Corporation Council [REDACTED] that his presence was not necessary (Attachment #18).

Sgt. MURPHY's third allegation, stated in his Initiation Report, that P.O. GALLEGOS failed to follow Department Directives when he left the Corporation Council's office without "signing-out" with the Court Section was redacted. Upon review of the Department Directive G08-02 (Court Attendance and Responsibilities) – the directive which is the most specific to the situation in question – there was not a clear and specific requirement delineated within the order which mandated that P.O. GALLEGOS make notification to the Court Section of his departure from the Corporation Council's office. Therefore, the inaction of P.O. GALLEGOS with respect to Court Section notification responsibilities will not be made a subject of this investigation (Attachment #4,24).

On 03-OCT-13 the undersigned interviewed P.O. GALLEGOS, the accused. P.O. GALLEGOS stated that he did speak with [REDACTED] prior to his scheduled appearance, and [REDACTED] did inform him that he was not needed. P.O. GALLEGOS further stated that he asked [REDACTED] to remove the court notification from the court notification system because the court notification stated "appearance required." Per P.O. GALLEGOS, [REDACTED] stated to him that he would make the removal. P.O. GALLEGOS stated that he checked the court notifications on 23-JUL-13 and found that the notification still stated that his appearance was required. P.O. GALLEGOS stated that he did not want to get deviated so he responded to the Corporation Council's office as indicated (Attachment #19).

P.O. GALLEGOS stated that he transported P.O. VASAVID for the same appearance. P.O. GALLEGOS related that he was unsure if he went to the 9<sup>th</sup> or the 8<sup>th</sup> floor because of in-progress remodeling. P.O. GALLEGOS stated that he made notification to the Court Section of his arrival and informed the receptionist that he was there to see [REDACTED]. P.O. GALLEGOS stated that he did not meet with [REDACTED] because one of the officers involved with the same case was a canine officer who had his dog with him, and he was allergic. P.O. GALLEGOS stated that he felt that he had fulfilled his responsibility associated with the notification to appear, and in that he did not want to further expose himself to the animal dander. P.O. GALLEGOS stated that he informed the receptionist that if [REDACTED] needed him he could call him, and then he left. P.O. GALLEGOS stated that he then went back to the 11<sup>th</sup> District after he had been at the Corporation Council's office for approximately 15 minutes. P.O. GALLEGOS stated that he forgot to notify the Court Section when he left the Corporation Council's office. P.O. GALLEGOS stated that he did not notify the Zone upon his arrival back in the 11<sup>th</sup>

District because the effects of the animal dander required him to seek relief from his inhaler in the 11<sup>th</sup> District and he overlooked notifying the Zone of his arrival (Attachment #19,12,10,11).

P.O. GALLEGOS stated that he did have a discussion with Sgt. MURPHY, regarding whether he called the court section. P.O. GALLEGOS stated that they were standing on the street in traffic near a busy intersection. P.O. GALLEGOS stated that Sgt. MURPHY is oftentimes difficult to understand, and he did not believe that Sgt. MURPHY had asked him if he called the Court Section when he arrived and departed the Corporation Council's office. P.O. GALLEGOS stated that, per his recollection, Sgt. MURPHY asked him if he called the Court Section with regard to his appearance at the Corporation Council's office, and he informed him that he had done so. P.O. GALLEGOS insisted that he had no intention to deceive Sgt. MURPHY (Attachment #19).

With respect to the above stated evidence as it relates to the allegation that P.O. GALLEGOS falsely reported to Sgt. MURPHY that he had notified the Court Section of his departure from the Corporation Council's office, Sgt. MURPHY and P.O. GALLEGOS disagree as to what was clearly stated between them. P.O. GALLEGOS stated that Sgt. MURPHY is often times difficult to understand, and that coupled with the distractions associated with communicating in the street near a busy intersection, apparently resulted in a misunderstanding between what was being asked by Sgt. MURPHY. In his Initiation Report Sgt. MURPHY stated that he asked P.O. GALLEGOS directly if he had "signed in and out" with the court section, and the officer stated, "Yes." Sgt. MURPHY further stated in said report that he then clarified his question by following up with, "both in and out," to which the officer again responded, "Yes." In his statement with the undersigned Sgt. MURPHY again explained that he had asked P.O. GALLEGOS if he had "signed both in and out" (Attachment #4,8,19).

The undersigned finds inconsistencies with the accuracy of the terminology used during the above stated dialogue between Sgt. MURPHY and P.O. GALLEGOS. Per his Initiation Report, Sgt. MURPHY referred to calling the court section as, signing in and signing out. As stated above, Sgt. MURPHY stated in his Initiation Report that he twice asked P.O. GALLEGOS if he signed both in and out. However, per his statement, when Sgt. MURPHY described the second time he asked P.O. GALLEGOS about the court section notification, Sgt. MURPHY stated, "The second time I asked him if he had called in, and I believe that his response was that there were 7 of us in line and we passed each other the phone." These inconsistencies, in conjunction with the statement of P.O. GALLEGOS in which he maintained that Sgt. MURPHY is difficult to understand and that he never stated to Sgt. MURPHY that he called out, establish uncertainty associated with exactly what specific and clear dialogue took place between them. The undersigned finds this allegation (false report) to be most suitably classified as NOT-SUSTAINED (Attachment #4,8,19).

With respect to the allegation that P.O. GALLEGOS went out of service and responded to the appearance at the Corporation Council's office after he had been notified that his presence was not needed, the explanation of P.O. GALLEGOS could not be refuted. P.O.

GALLEGOS asserted that WALLACE had stated to him that he was going to make an appropriate redaction in the court notification system, but failed to do so, and no information was removed or changed. The undersigned attempted to contact WALLACE to confirm said assertion without success. The undersigned finds this allegation to be most suitably classified as NOT-SUSTAINED (Attachment #19,5).

With respect to the above stated evidence as it relates to the allegation that P.O. GALLEGOS failed to log on to his Portable Data Terminal in a timely manner, P.O. GALLEGOS clearly admitted to this failure. The undersigned finds this allegation to be most suitably classified as SUSTAINED (Attachment #23).

Within the statement of P.O. GALLEGOS, it was revealed that he failed to notify the Zone upon his return to the 11<sup>th</sup> District that he was clear from 30 N. LaSalle Street. Per P.O. GALLEGOS, he arrived at the Corporation Council's office at approximately 0945 hours, left approximately 15 minutes later, and it took him 10 to 15 minutes to return back to the 011<sup>th</sup> District. Per the PCAD Unit History Report, P.O. GALLEGOS did not establish a clear status until 1301 hours. The undersigned noted this information, and has included an "Other Violation" with a recommended finding of SUSTAINED against P.O. GALLEGOS in that he failed to immediately return to service upon completion of his assignment to the Corporation Council's office (Attachment #19,4,25).
